## Program Extensions

**Lunch Bunch** 11:45AM–1:30pm Available M–Th

This program is an extension of the children’s day, allowing them to continue to explore, play and be with friends. Children bring a lunch from home and are supervised by staff members. Buy a punch card and sign up on the days your child will stay.

**Enrichment Program** 12:00AM–3:00PM M/W or T/Th

Designed to allow your child to grow in areas beyond academics, such as American Sign language, Spanish language, music, rhythms, and dance, teamwork, cooking and science, lots of hands-on projects. Lunch (parent provided) and indoor/outdoor rec time are included!

# Class Descriptions

## Curious Two’s

Curious Two’s is a terrific start to your child’s preschool experience. The program will develop your child’s sense of curiosity. The children enjoy interactive play, stories, action songs, creative art, and finger plays, within a safe and nurturing setting. Learning basic shapes, colors, matching, and counting brings a sense of accomplishment and a positive “I can do it” outlook. Social skills, making friends and sharing are all a part of the learning each day. Special events are included throughout the year!

## Preschool

This class offers a welcoming and safe environment for the young seeker to enjoy the wonder of discovery. The format includes circle time, stories, rhymes, games, puzzles and dramatic play, with the freedom to explore at their own pace and style. Beginning concepts of numbers, letters, and an introduction to science and nature make each day exciting. Plenty of art, gym and snack time are all part of the fun. Social skills and friendships grow as the children work together to develop a variety of age appropriate behaviors. As their confidence grows, so does their competence, giving them an edge for academic success.

## Pre-Kindergarten

Our Fours will be exposed to many opportunities for creative self-expression as they explore the planned activities within the classroom learning centers. Building upon what they’ve learned in the Three’s, the children are encouraged to develop their fine motor, listening, early literacy, and school-readiness skills. The program includes a balance of age-related themes, identifying and writing letters, pre-academic math, science exploration and more. Together with friends, they enjoy a circle time of interactive stories, music, movement, and sharing, all while gaining new skills and preparing them for the next step in their school experience.

## Christian Education

Christian education is part of our total program. We bring the children together for regular chapel times to sing and hear stories from our Pastors and special guest speakers. Parents are welcome to attend these events. In the classrooms, the themes, stories, learning activities and discipline are wrapped around biblical principles.

We would be happy to share a more comprehensive review of the scope of our preschool programs with you. Please feel free to stop by the office to speak with the Preschool Director regarding any special needs you may have regarding your child.

# John Knox Community Preschool

## Mission Statement

To provide a welcoming, caring and creative environment, in which young children can grow emotionally, socially, intellectually, physically and spiritually.

## Vision Statement

*To leave an eternal imprint of God's love on children's*

## Our Aspirations and Goals

We seek to nurture children in a caring and creative learning environment that supports the whole child. To accomplish this we will—

- Develop awareness and confidence in God's love.
- Encourage a positive self-image and concern for others.
- Foster creative exploration, self-discipline, and a love for learning.
- Seek a balance of teacher-directed and child responsive activities that allow them to develop at their own optimum rate.
- Encourage each young person in their spiritual growth through loving, nurturing teachers.
- Connect with the community, as we partner with parents and families to provide opportunities for children to learn in positive ways.
